My Sincerest Welcome to the 2nd Annual Toronto Beaches Film Festival (TBFF)

Films, whether documentaries, dramas or comedies, do not just entertain us. They help us to understand the world we live in and inform of us worlds we have not experienced.

I am proud to welcome the 2nd Annual Toronto Beaches Film Festival (TBFF) to the Fox Theatre in the Beaches – East York. I think the program that TBFF is offering us this year will entertain, educate and surprise us. It is important that patrons purchase tickets to see these wonderful films to encourage TBFF to come back and enrich our neighborhood year after year with films from around the world.

We are lucky to have a very active cultural community in the Beaches - East York and it is great to add the Toronto Beaches Film Festival to that cultural community.

The festival also gives us the opportunity to showcase the Fox Theatre, a venue that is an asset to the riding, and brings many people from all over the city who love films and the chance to come and visit the lively and spirited Queen Street.

I wish much success for TBFF and look forward to seeing great movies with good friends.
